

BARBADOS *10 y.o. Rel. 2014*

Appearance Bright orange.

Nose Light and fresh. Mint, camphor, medicinal herbs, hay and a delicate sweetness.

Palate Similar to the nose, with a great balance between sweetness and herbal notes, green leaves and mint. Like refreshing mint tea served in the North African desert. Soft and smooth.

Finish The mint-like freshness lingers on the palate, inviting to a new sip.

Comment A light and summery rum, extremely easy to drink. Halfway between the herbal notes of the agricole rums and the sweeter and party-oriented style of Spanish rums...

Suggested Match Valrhona Alpaco 66%, a dark but delicate and flowery chocolate from Ecuador, perfect for the freshness and light character of Barbados rum
