

BARBADOS *12 y.o. 1995-2008*

Appearance Old gold with strong orange reflections.

Nose Very lively and balsamic, dominated by an impression of fresh and very flavorful crushed mint leaves and then a lovely sugary sweetness.

Palate Very sweet and honeyed, but again the mint plays a big role, backed up by the licorice and a slightly toasted character.

Finish Long, sweet, lingering on camphor and white pepper.

Comment From the island where rum was born comes a refreshing spirit, perfect for being savored in the warm season, on the rocks, or as an alternative to white rum in the preparation of a delicious Mojito.
