

DEMERARA *12 y.o.*

- Appearance* Mahogany colour with bright vermilion nuances
- Nose* Sweet notes of molasses, cedar wood, dried figs all merge together in an explosion of great aromatic power
- Palate* Round, smooth and silky, sweet notes stand out with a spicy “intrusion” which enhances and rounds off the stature of this rum
- Finish* Long and satisfying, the palate hovers between hot and spicy notes; Unforgettable
- Comment* Delicate and intriguing. A contemplative Rum, excellent starter for beginners (novices) and wonderful confirmation for the “aficionados”, would bring any kind of evening to a graceful end
