

## DEMERARA *15 y.o.*

- Appearance* Dark amber coloured enriched by intense copper shades
- Nose* Closed but deep, it opens up slowly, a perfect balance of molasses, raisins and almond paste
- Palate* It has the elegance of the great rums, molasses flavours balanced with woody notes bestowed by long ageing in wood
- Finish* It seems never to end, a length rarely found in other rums, a refined sweetness forever engraved on the memory
- Comment* British Guyana reveals one of its true pearls with this "easy to drink-hard to forget" rum
