

JAMAICA *8 y.o. Pot Still*

Appearance Bright gold.

Nose Intensely estery but well rounded; rich of dried raisins, cinnamon, a hint of wood and a faintly organic and farmy touch.

Palate Similar to the nose, with cinnamon and raisins to complement the typical Jamaican funkiness. Not exceedingly sweet, but rich and creamy. Chamomile, aromatic herbs.

Finish Getting spicier, oakier and drier, with notes of liquorice.

Comment Intensity and velvety refinement. A muscular but chewy and smooth rum, where the British style is slightly tamed by the Oloroso casks.
