

## BARBADOS *10 y.o. Rel. 2015*

- Appearance*    *Warm amber.*
- Nose*            *Black tea, aromatic herbs, mint, ripe fruits, and an evident winey note.*
- Palate*           *Medium/light bodied, smooth and easy but not simple at all. Complex equilibrium of tea and orange blossoms, with a mint-like freshness and a moderate amount of raisiny sweetness from the finish in Pedro Ximenez casks, all backed by a spicy and tannic hint.*
- Finish*            *Clean, fragrant, slightly growing on the spicy and winey notes.*
- Comment*        *A fresh, light rum, of great complexity and refinement, for connoisseurs looking for nuances and finesse.*
- Suggested match*    *Valrhona Alpaco 66%, a dark but delicate and flowery chocolate from Ecuador, perfect for the freshness and light character of Barbados rum.*
