

GUATEMALA *Gran Reserva*

Appearance Chestnut honey.

Nose Flowery, delicate, with the typical perfume of cane sugar, and a hint of buttery character. Dates, raisins, orange rind.

Palate Easy, velvety, warm. Sweet but not syrupy, with notes of vanilla, cola, raisins. Crème brûlée, and a final herbal touch like vermouth, with a hint of orange rind, anise and liquorice.

Finish Getting more tannic and toasted, with the herbal note and some black pepper coming to the fore. Delicate final burst of warmth.

Comment One of the lightest rums in our selection, with a pleasantly sweet touch in the Latin style but without ever becoming too sugary.
