

BARBADOS *12 y.o. Anniversary*

Appearance Bright orange.

Nose Like the 10yo but sweeter and more intense: in addition to the hay and herbs, a note of vanilla can be felt. The refreshing character is akin to milk&mint ice cream.

Palate It tastes sweeter too, with aniseed and orange blossom notes, while retaining the minty and herbal freshness so typical of Barbados rum.

Finish Sweetness takes a back place, and like in the younger bottling the dominating note is the aromatic freshness of mint.

Comment Richer, sweeter, thicker, more complex than its younger brother, but the character is similar. Presented in a special decanter encased in a luxury book-shaped gift box.
