

## JAMAICA *23 y.o. Supreme Lord VOTJ*

*Appearance* Orange/amber, deep and bright.

*Nose* Very aromatic, powerful. Sweetness and oak spiciness galore. Wood polish, wax, chinotto, cola nut extract. Strongly brewed Earl Grey tea. Dark chocolate.

*Palate* Rich and juicy, greatly balanced between the dark sweetness of molasses and the aromatic depth of bitter medicinal herbs. Balsamic. Cloves, cinnamon, black pepper.

*Finish* Still sweet and luscious, but with an increasing impression of black liquorice and gentian liqueur.

*Comment* This new small batch release of our most prestigious old rum is a battleship loaded with intensity, syrupy thickness and a mind-blowing array of spicy aromas which are at the same contrasting and marvelously integrated.
