

JAMAICA *25 y.o. Supreme Lord V*

Appearance Deep amber with ruby nuances.

Nose Aromatic, intense: rich on esters, ripe oranges, balsamic herbs, chinotto and rhubarb. Damp wood, antique furniture.

Palate Intense but velvety, with a perfect balance between sweetness and wood tannins. Moss, black pepper, licorice, coffee and dark chocolate: very complex and mature.

Finish Sweetness gives way to a more peppery character, rich on black tea and chamomile. Long, spicy and very warm.

Comment The gem in the Rum Nation selection, a bottling of extraordinary maturity which encompasses all the typical aromas of Jamaican rum with a powerful intensity but also a smoothness without peers.
