

PANAMA *21 y.o. Decanter Rel. 2016*

Appearance Full orange, with ruby red reflections.

Nose Big influence of the sugarcane, deep, dark, brooding, with a winery hint from the sherry and brandy casks.

Palate Heavy notes of sugarcane, a very rich and estery rum. Intense sweetness, with dates, raisins, honey and chocolate, then becoming more aromatic: medicinal herbs, cinchona, bergamot, black tea and coffee.

Finish More and more spicy, with cinnamon and pepper. The sweetness strikes a perfect balance with the oaky influence. Long, everlasting, chewy and thick.

Comment A wonderful old Spanish-style rum, rich in sugar content but with a deep and refined influence from the casks. Ideal for connoisseurs of the sweet Latin style looking for complexity and spice too.
