

PANAMA *Solera 18 Rel.2015*

Appearance Bright and warm amber.

Nose Sweet, rich on cola, raisins and coffee. A pleasant hint of esters (fermented fruit).

Palate Medium body, with presence but without heaviness. Sweetness from the molasses, then cola, bergamot, liquorice, a touch of aniseed and sugared black tea. Orange peel and apricots. Aromatic herbs.

Finish The notes of aromatic herbs and liquorice grow, and the sweetness subsides to the spicy oaky notes from the long aging.

Comment A soft, warm and complex rum, slightly drier, more aromatic and oak influenced than the previous edition.
