

GUADELOUPE *Vieux - Agricole Rel. 2016*

Appearance Clear amber.

Nose Organic, earthy, but also flowery, with notes of anise, orange blossom and rind, green tea and Pu-Erh. A hint of petrol.

Palate Herbal, again with marked notes of very sugared tea (green and black). Intense in body, with mossy notes and Indian spices. Cloves and bergamot too.

Finish Great buildup of sweet liquorice and anise, gradually growing more intense and peppery.

Comment From the same distillery of our Guadeloupe Blanc, an aged expression full of aromas, intense but rounded.
