

DEMERARA *N. 14 Rel. 2012*

Appearance *Dark amber, with orange nuances.*

Nose *Intense, sweet and with a fresh winery touch. Cane sugar, banana, cinnamon, candied oranges, chocolate.*

Palate *At first slightly sour, then immediately the cane sugar makes its presence felt, but always balanced by the spicy notes, especially pepper.*

Finish *Getting sweeter and softer, with persistent notes of sugared coffee and liquorice. Its sweetness is never overwhelming, always well balanced by the spices.*

Comment *Intense and tasty but not too heavy, in great balance between sweetness and the spicy and hot character of rums from British Guyana, easy to drink and never cloying.*
